Autumn Leaves

Leaves will soon be accumulating in yards throughout the neighborhood. Please note it is illegal to burn leaves in the city. Smoke blowing in neighbors windows can cause asthma issues and other health problems for those exposed to the smoke. The fines associated with illegal burning can be steep. Fines range from \$100 to \$650 if firefighters have to extinguish the fire at the scene. **We need our residents to abide by the rules**

Back to the Ballot Box

Fighting for your community starts with making sure that you are registered and #VoteReady. You can register to vote through Election Day. For more information regarding registration [Click Here](#)

City Council members have the final vote in creating laws and approving the city budget. They may develop their own initiatives, as well as approve or reject key department heads. Therefore, please get to know the candidates. There are three (3) council seats to fill this election. Candidates are:

Christmas is only a little more than two months away. The WNA would like to once again plan inspirational activities this season. Last year our neighborhood participated in door decorating and street luminaries. What can we do to enhance last year’s activities? Please share your thoughts and consider being a participant on the Christmas activities planning committee. You can volunteer on our website by checking the Social Events box on the “Get Involved” page.
